

In this *Present Time*, Tim Jackins dares us not to be discouraged, a number of people share their thinking about Israel and Gaza, and other topics range from knee surgery to Tule Lake to climate change. Several articles are translated into Hebrew, Dutch, and French.

How are you applying RC in your part of the world? Consider writing something for *Present Time*! The deadline for articles for the January issue is November 17. And we'll need any changes to the back-pages lists by November 24.
