People vs. Fossil Fuels March | Sept. 17, 2023

#1 [Listen here.](#)

Solid as a rock
Rooted as a tree
We are here
Being strong
In our rightful place

#2 [Listen here.](#)

1, we are the people
2, a little bit louder
3, end fossil fuels
4 our future

#3 [Listen here.](#)

The people gonna rise like water
We gonna face this crisis now
I hear the voice of my great-grand daughter
She said keep it in the ground
The people gonna flow like water
We gonna shut this system down
I hear the voice of my dear ancestors
They said keep it in the ground

#4 [Listen here.](#)

Call: Tell me what you want what you really want
Response: End, end fossil fuels!
Call: Tell me what you need what you really need
Response: End, end fossil fuels!

(Migrant justice! / Reparations! / Just transition)

#5 [Listen here.](#)

Why are we in this situation
In this situation that brings us down
Can't you see we are losing patience
We are losing patience with oppression now
And the people will rise
The people will rise (5x)
We have come to raise our voices
To raise our voices for the broken down
You and me, we will be together
Be together on common ground
The people will rise (5x)

#6 [Listen here.](#)

We are a new unsettling force
And we are powerful
A new unsettling force
And we're here
We are a new unsettling force for liberation
And we have nothing to lose but our chains (2x)

#7 [Listen here.](#)

I have not come here alone
I carry my people in my bones
I have not come here alone
And if you listen you can hear it in my song

#8 [Listen here.](#)

The people united will never be defeated! (3x)
El pueblo unido jamás será vencido! (3x)
Ang tao, ang bayan, ngayon ay lumalaban! (3x)
Inquilaab! Zindabad! (6x)

#9 [Listen here.](#)

Indigenous lands are under attack!
What do we do? Unite, fight back! (2x)
Black and brown people are under attack!
What do we do? Unite, fight back! (2x)
Women and girls are under attack!
What do we do? Unite, fight back! (2x)
What do we do? Unite, fight back! (2x)

This little light of mine, I'm gonna let it shine
Oh, this little light of mine, I'm gonna let it shine
Let it shine, let it shine, let it shine.
(All around the world... / To end fossil fuels... / For
climate justice... / And for liberation!)

#14

They say, "Fossil fuels!"
We say, "Just transition!"
They say, "profit over people!"
We say, "people power!"

#15 [Listen here.](#)

What do we want? Climate justice!
When do we want it? Now!
Qué queremos? Justicia climática!
Quando? Ahora! (2x)
If we don't get it? Shut it down! (2x)

#16 [Listen here.](#)

From Tuvalu to Palestine
Climate gloom is all the time!
From Pakistan to the Philippines
We will stop the war machine!
For all our peoples and our nations,
We will win our liberation!
Say yea, yea, yea!
Yea, yea, yea, yea!
In the corporate industry,
Cut the strings of puppetry.
In the workplace and the home
A woman's worth must be known.
In the belly of the beast
No justice, no peace!
Say no, no, no!
No, no, no, no!
From the borders to the streets
Climate migrants will be free!
In the schools and our homes,
Young people will be free!
Oh, from the mountains to the sea
All our people will be free!
Say yeah, yeah, yeah!
Yeah, yeah, yea, yea!
