

Implement the Unified Goal on Climate

- Get people discharging on it
- An event in every Region about it
- Every constituency to have an event about it
- Develop lots more leadership—geographic and constituency coordinators, support groups
- Plan for implementation (done, keep updating)
- Tim's workshop

Engaging the RC Community—more individuals, more constituencies

Developing our 5-year plans—post them all online

- Personal, Community, RC
- Encourage local events of all kinds
- Continue monthly webinars

Climate Emergency Coordinators

- In every Region and Constituency
- Stay in contact and provide effective support

What helps people get engaged, stay engaged, and be effective—

- not doing it alone
- not feeling hopeless
- work on racism/genocide/classism (serious commitment to back Janet as an African woman to lead us)
- understanding the situation—Regional plans to discharge and think about local impacts
- discharging on the chronics in the way

Expand the leadership—

- Support Janet
- white people racism groups
- calls--which ones are needed
- support groups--R expand
- more people leading workshops
- Regional involvement--letter every 6 months to RRP's
- constituency involvement--id which ILRP's constituency coordinators
- calls for climate coordinators and leaders
- develop more teams

Development of resources—updating everything

- Update draft program
- Share the wealth campaign--handout
- Webinar videos to website

- Websites, improve and update

Strategizing our work inside and outside RC

- Evaluate what we do
- What else could we do?
- How to be more effective in RC? Hold a call, get a team
- Short goals and steps on website

Re-evaluate Draft Program annually, long and short versions, update SAL handout from it

Sustaining All Life

- Develop video resources
- Attend COPs as long as it's useful (what to do about COP28)
- Local SAL events--Earth Day in 30 Regions, prepare resource packet
- Fundraisers, intl and local

What workshops/webinars for me to lead

- Day Long workshops in Regions
- Workshops on the Unified Goal
- Policy, including nuclear
- Racism and COE--Janet to schedule
- Southern
- Jewish

- LGBTQ+
- Working class
- Activists
- Leaders--schedule 2024
- Elders
- Racism for activists

Improve our outreach

How better to reach people with our tools in person? Outreach plan in and out of RC

- What new resources—video, Tools (updated), Listening Circles, a few new handouts (hope, resources), (which to rewrite) Climate grief, website
- How to share resources (get out to Big Greens & Climate Justice Groups)
- Do calls with groups, see who wants to sign onto the letter to distribute our resource packet and offering an intro
- Mapping Project
- Translations
- SAL offering a conference outside of RC
