

In this July *Present Time*, Tim Jackins and Diane Shisk explain the *Guidelines*, Tim talks about why we have goals for the RC Community, and others write about humiliation, people targeted for destruction, Mexicans reclaiming Indigenous identity, breakthroughs at the Women's and Men's Workshop, making good use of RC literature, and so much more.

Do you enjoy seeing the photos of different places? Have you considered sending in a photo from your part of the world? Drawings are always welcome, too. Here are the deadlines for the October *Present Time*: Monday, August 19, for articles and poems; Monday, August 26, for changes to the back-pages lists.
