

Amy's 5 year Climate Action Plan

	2022/2023	2023/2024	2024/2025	2025/2026	2026/2027
Personal	Keep working on book: A Manual on how to transform your life and our society; Be more open about writing book and goals for climate action	Complete book; learn about publishing; Publish by end of 2023	See what results from book and what I learned; take steps from there	Unknown still!	
Wide world Organizations Poor People's Campaign, Sunrise, TST	Continue to work with PPC Coordinating committee; Continue to support actions; donate; Encourage TST to focus on climate and do a series of climate shows	TST climate series, more outreach for PPC; build deeper relationships with PPC; teach RC to select people; continue to support activist friends	Continue		
RC	Encourage other cocos to work on climate in their sessions Include time to discharge on climate every class, encourage TLC to do climate moments in every class!	Discharge about next steps for RC leadership and leading regionally on climate; think about building community around me; continue supporting SAL/UER	Discharge and research going to COPs as SAL volunteer or delegate!		
Work/SSN	Continue to lead anti-racism group, talk about intersection with climate crisis, encourage and support people to look at both and urge action	Perhaps start climate group at SSN...	Start Young people's class/support group for former students		

Friends/connections	Make new friends at every opportunity; Teach them RC; use minis to stay close to people in wide world orgs; Expand writing circles
