

***Engaging the RC Community—more individuals,  
more constituencies***

Developing our 5-year plans—post them all online  
Personal  
Community  
RC

***What helps people get engaged, stay engaged, and  
be effective—***

not doing it alone  
not feeling hopeless  
work on racism/genocide/classism (serious  
commitment to back J as an African woman to  
lead us)  
understanding the situation  
discharging on the chronics in the way

***Expand the leadership—***

J  
Organize white people racism groups  
calls--which ones are needed  
support groups--R expand  
more people leading workshops  
Regional involvement  
constituency involvement--id which ILRPs  
calls for climate orgs  
develop more teams

outside the US--country coordinators--no RRP  
esp

***Development of resources—updating everything***

Update draft program re: how to move against  
capitalism, what else?

Brainstorm share the wealth campaign

Websites

***Strategizing our work inside and outside RC***

Evaluate what we do--SAL and RC

What else could we do?

How to be more effective? Hold a call, get a  
team

***Re-evaluate Draft Program annually, long and  
short versions, update SAL handout from it***

***Organize COP27***

***What workshops for me or me and J to lead***

Policy, including nuclear

Racism and COE--Janet to schedule

Jewish

LGBTQ--get date to Mary

Working class--Talk to Dan

Activists

Leaders--what's next

Elders

Racism for activists

***Improve our outreach***

How better to reach people with our tools in person?

What new resources (packet—video, Tools (updated), Listening Circles, a few handouts)(which to rewrite) Climate grief website  
How to share resources (get out to Big Greens & Climate Justice Groups)

Do calls with groups, see who wants to sign onto the letter distribute our resource packet and offering an intro

Mapping Project

Translations

***Keep reducing my carbon footprint, what's next?***

***vegetarian to vegan***

***Prepare for attacks, build allies for SAL/RC***
