

## How to Find RC in a Particular Geographical Location

If you are looking for information about Re-evaluation Counseling in a particular geographical location, we suggest that you first look in the section "Reference Persons for Organized Areas" to see if there is an Area Reference Person for that location. If there isn't, check to see if there is an RC teacher, by looking under the section "Authorized Teachers of Re-evaluation Counseling in Developing Communities." If there is no Area Reference Person and no teacher, check the following section, "Re-evaluation Counseling Contacts," to learn whether there is someone close to you geographically (who is not an RC teacher) who has expressed an interest in meeting others who might join with them in getting Co-Counseling started, or a contact who could help you think about some other way (possibly online) of starting RC. If there are none of the above, you can contact Re-evaluation Counseling Community Resources at 19370 Firlands Way North, Shoreline, Washington 98133-3925, USA; Tel. +1-206-284-0311; e-mail [ircrc@rc.org](mailto:ircrc@rc.org), for information on how to get RC started.
