

Discussions on criticism, parenting, political demonstrations, and the effects of racism and male domination; articles by Tim Jackins on leadership, physical pain, and the transformation of society; a good look at Francophone liberation—just a sample of the rich mixture that is this *Present Time*.

We hope you'll contribute to the October issue! Please send articles and poems to us by Monday, August 20, and any changes to the back-pages lists by Monday, August 27.
