

Welcome to the October 2016 *Present Time!* How great to be able to read in one place about people from so many constituencies and countries. Are you from a group that we don't often hear from or a part of the world that we need to know more about? Please write! For the January issue, articles and poems need to reach us by Monday, November 21. We'll need changes to the back-pages lists by Monday, November 28.
