

Co-Counselors continue to expand their use of RC theory and practice in the wide world—and are being encouraged to do so even more, given the climate crisis and COVID-19. We hear from parents in Nigeria, from a Native person raised Black, about the Francophone Africa Project, and much more. For the July *Present Time*, we need your articles and poems by May 18, and changes to the back-pages lists by May 26.
