

This issue of *Present Time* features topics ranging from making good use of Zoom sessions, to powerful work on the climate crisis, to a Hindu liberation workshop. Highlights include several articles on classism—including “A Working-Class Economics Group” and “RC and People Raised and Currently Poor.” Articles on RC leadership, accountability, and the *Guidelines* prepare us for the RC Community’s 2022 World Conference. And fifteen people share eloquently what they appreciate about Re-evaluation Counseling!
